This Internal Funding Process

The first step in this Preserve America Initiative Internal Funding (PAIIF) process is to complete and submit a pre-proposal, per the instructions below. All pre-proposals will be reviewed; those that meet the funding requirements and criteria and appear achievable will be invited in mid-November to submit full proposals, which will be due on January 6, 2012. All full proposals will be reviewed by a review team, made up of representatives from across all NOAA Line Offices. Subject to the availability of funds, the selected proposals will be announced by mid-April at the latest, and the funds will be made available shortly thereafter. Proposals not selected this year can be revised, improved, and submitted the following year. The full PAIIF calendar is below.

Pre-Proposal Directions

Use the form provided on the website to develop your pre-proposal. Please follow the instructions. Pre-proposals are limited to one page. Keep your responses targeted and brief! Projects should be tailored to meet the goals of the PAIIF program, which are listed below. Pre-proposals may be submitted **by e-mail to** Katie Garrett (Katie.collins.garrett@noaa.gov). Any pre-proposals received after the due date (Monday, November 14, 2011) will not be considered.
